Your tax-deductible donation can help us continue rescuing even more animals left homeless after Katrina. Animal Rescue New Orleans (ARNO) is an all-volunteer, grass-roots organization funded entirely by caring donors just like you all over North America. We operate a no-kill triage shelter for cats and dogs, where all are medically treated (and sterilized) and brought to the peak of health before adopting out to loving homes. We operate a controlled food/water/humane trapping program throughout the New Orleans area and surrounding parishes, a TNR (trap/neuter/return) program for feral cats, and a pet retention program for humans left indigent after Katrina providing food and/or medical care for their pets.

ARNO welcomes you to visit New Orleans and volunteer at our no-kill shelter, which is located in a small, safe suburb 15 minutes from downtown. There are jobs for everyone at our seven-day-a-week operation. **Visit our website for more information or to donate online using PayPal.**
